Pursuit

James Thayer

Pursuit James Thayer

"Belongs in the same company as *The Day of the Jackal* . . . Brutal, brisk, and believable The finale sings." -- *New York Daily News*.

A strategy born of desperation: an assassination to end the war.

Only one event can turn the tide. Hitler believes that the death of one man—Franklin Delano Roosevelt—will save Nazi Germany. From a prisoner of war camp near Fort Lewis, Washington, where 50,000 German soldiers are interned, Wehrmacht Captain Kurt Monck—a man of frightening resources with ruthless intelligence whose devious determination is sparked by Berlin's orders via secret channels to escape the camp and head east.

Monck's trail is picked up by U.S. Secret Service agent John Wren, who hunts Monck as the German nears Franklin Roosevelt's armored train en route to the Democratic Convention in Chicago.

Monck's only aid comes from his reluctant accomplice Margaret Bayerlein, a widow who provokes a haunting triangular relationship.

Pursuit evokes the American home front during the war, as well as historic figures such as J. Edgar Hoover and President Roosevelt. The manhunt crosses the country, and Monck, Wren, and Roosevelt finally meet in an electrifying conclusion.

Heart-pounding suspense for readers who love the taut thrillers of Jeffrey Deaver and Frederick Forsyth.

"I simply could not put it down." -- *St. Louis Post-Dispatch*.

From reader reviews:

Armando Ceballos:

The book Pursuit can give more knowledge and also the precise product information about everything you want. Exactly why must we leave a good thing like a book Pursuit? Some of you have a different opinion about guide. But one aim this book can give many facts for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or details that you take for that, you can give for each other; you can share all of these. Book Pursuit has simple shape however you know: it has great and large function for you. You can appear the enormous world by start and read a book. So it is very wonderful.

Leigh Grayer:

Book is to be different for every single grade. Book for children until finally adult are different content. To be sure that book is very important for all of us. The book Pursuit seemed to be making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The reserve Pursuit is not only giving you more new information but also being your friend when you experience bored. You can spend your current spend time to read your guide. Try to make relationship with all the book Pursuit. You never sense lose out for everything should you read some books.

Danny Johnson:

Information is provisions for folks to get better life, information presently can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider any time those information which is from the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the resource are convinced. If you find the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take Pursuit as the daily resource information.

April Harry:

Reading a reserve tends to be new life style in this era globalization. With examining you can get a lot of information which will give you benefit in your life. Using book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Many author can inspire their reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this Pursuit.
