Sunrise from the Summit: First Light on Colorado's Fourteeners Glenn Randall

Award-winning photographer Glenn Randall dedicated seven years to climbing each of Colorado's 54 peaks over 14,000 feet with one goal in mind: to capture the glory of sunrise from each summit. His quest required hundreds of hours of planning and preparation, then scaling the peaks in the dark while carrying a pack loaded with camera gear. Randall's reward and yours is this beautiful collection of unique and dramatic images that will put you on the summit just as the sun gilds the far horizon.
