A new world order... on the brink of destruction... Peace may finally be at hand in the Middle East---as Jack Ryan lays the groundwork for a plan that could end centuries of conflict. But ruthless terrorists have a final, desperate card to play; with one terrible act, distrust mounts, forces collide, and the floundering U.S. president seems unable to cope with the crisis. With the world on the verge of nuclear disaster, Ryan must frantically seek a solution---before the chiefs of state lose control of themselves and the world. The author of five consecutive #1 bestsellers, Tom Clancy now offers his timeliest, most explosive novel yet, presented here in a special, expanded four-cassette program---six hours of the exceptional realism, authenticity and unrelenting suspense that make him the undisputed master of the contemporary thriller.
