The Synagogues of New York's Lower East Side: A Retrospective and Contemporary View Gerard R. Wolfe

Includes 100 illustrations of magnificent and historic synagogues on New York's Lower East Side.

It has often been said that nowhere in the United States can one find a greater collection of magnificent and historic synagogues than on New York's Lower East Side. As the ultimate destination for millions of immigrant eastern European Jews during the late 19th and early 20th centuries, it became the new homeland and hoped-for *goldene medinah* (promised land) for immigrants fleeing persecution, poverty, and oppression, while struggling to live a new and productive life. Yet to many visitors and students today these synagogues are shrouded in mystery, as documentary information on them tends to be dispersed and difficult to find.

With *The Synagogues of New York's Lower East Side*, Gerard R. Wolfe fills that void, giving readers **unparalleled access to the story of how the Jewish community took root** on the Lower East Side of Manhattan. Using archival photographs taken by Jo Renee Fine and contemporary shots taken by Norman Borden alongside his text, Wolfe focuses on the synagogues built or acquired by eastern European Ashkenazi Jewish immigrants during the great era of mass immigration, painting vivid portraits of the individual congregations and the new and vital culture that was emerging. For many, the Lower East Side became the portal to America and the stepping-stone to a new and better life. Today, the synagogues in which these immigrants worshiped remain as a poignant visual reminder of what had become the **largest Jewish community in the world**.

Originally published in 1978, *The Synagogues of New York's Lower East Side* became the authoritative study of the subject. Now completely revised and updated with new text, photographs, and maps, along with an invaluable glossary, Wolfe's book is an **essential and accessible source** for those who want to understand the varied and rich history of New York's Lower East Side and its Jewish population. Its **readable and illuminating** view into the diversity of synagogues--large and small, past and present--and their people makes this book ideal for teachers, students, museum educators, and general readers alike.

Marian Perkins:

This The Synagogues of New York's Lower East Side: A Retrospective and Contemporary View is great reserve for you because the content which can be full of information for you who have always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great arrange word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with attractive delivering sentences. Having The Synagogues of New York's Lower East Side: A Retrospective and Contemporary View in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen moment right but this guide already do that. So , this really is good reading book. Heya Mr. and Mrs. stressful do you still doubt that?

Daniel Starkey:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on

this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Synagogues of New York's Lower East Side: A Retrospective and Contemporary View can make you feel more interested to read.
