Tubes: A Journey to the Center of the Internet Andrew Blum

“Andrew Blum plunges into the unseen but real ether of the Internet in a journey both compelling and profound....You will never open an email in quite the same way again.”

—Tom Vanderbilt, *New York Times* bestselling author of *Traffic*

In *Tubes*, Andrew Blum, a correspondent at *Wired* magazine, takes us on an engaging, utterly fascinating tour behind the scenes of our everyday lives and reveals the dark beating heart of the Internet itself. A remarkable journey through the brave new technological world we live in, *Tubes* is to the early twenty-first century what *Soul of a New Machine*—Tracy Kidder’s classic story of the creation of a new computer—was to the late twentieth.
