****This combined edition contains the first three novels of the Awakened series: Awaken His Eyes, Paths of Destruction, and Hands To Make War.****

BOOK ONE: On a parallel earth, in the city of Bastul, Colonel Adair Lorus disappears while investigating the death of an informant, triggering a series of events which will tear his family apart and set in motion the resolution of an ancient struggle. Kael, sentenced to death after rising up against the cruel leadership of his new step-father, is rescued from prison and trained in the arts of war by a mystical order of clerics. Excelling in every aspect of his training, Kael inwardly struggles to give himself fully to the methods of his new family, or the god they worship. Maeryn, bitter over the disappearance of her husband and supposed execution of her son, fears for her life at the hands of her newly appointed husband. Finding comfort and purpose in her unborn child, she determines to undermine his authority by reaching out to an underground social movement known as the Resistance. After being forced from his home, Kael's former mentor, Saba, uncovers a clue to Adair's disappearance. Sensing a connection to his own forgotten past, Saba begins an investigation which leads to the discovery of a secret military organization operating within the Orudan Empire.

BOOK TWO: Returning to his home city of Bastul, Kael finds the Southern Territory of the Orudan Empire under invasion. As he races to unravel the secrecy of the enemy's identity, he becomes entangled in a brutal conspiracy to gain control of the government. After years of collaboration with the Resistance, Maeryn coordinates the covert exodus of the entire slave population of Bastul. Along their treacherous journey to the capital city of Orud, she is faced with the pressures of leadership as she attempts to protect her daughter and ensure the survival of her companions. Saba, held captive by a mysterious military force, escapes after years of solitary confinement. Propelled by an elusive memory, he chases after the hope of rediscovering his past and learns that everyone's future is in jeopardy. Finding himself in another world and thrust into the middle of a technologically advanced conflict, Adair struggles to make sense of his new environment and the soldiers who are protecting him.

BOOK THREE: After fighting his way back from a paralyzing defeat, Kael resolves to bring an end to the enemies of the Orudan Empire. Enlisting the help of his family and most-trusted friends, he faces off against an ancient evil and embraces his destiny. As Maeryn rises through the ranks to attain a command position within the Resistance, she learns of a conspiracy in her organization and realizes the enormous resources at her disposal. Determined to set things right, she seizes control and sets a new course for the movement. Reacquainting with his closest friends, Saba pieces together the identity and motive of the enemy. Bringing his vast knowledge to bear, he collaborates with Orud's High Council to force the enemy into the open, while waiting to reveal a secret of his own. Working to establish communications with the mysterious organization protecting him, Adair sets in motion a plan that he hopes will enable him to return to his world—and his family.

In the first trilogy of his Amazon bestselling debut series, Jason Tesar launches an epic saga that will journey from earth's mythological past to its post-apocalyptic future, blending the genres of fantasy, sci-fi, and military/political suspense.
