Susan Moss Marks, William A. Hopkins

Pharmacy Technician Certification Quick-Study Guide (Apha Pharmacy Technician Train) Susan Moss Marks, William A. Hopkins

The American Pharmacists Association's *Pharmacy Technician Certification Quick-Study Guide* has helped tens of thousands of candidates prepare for the Pharmacy Technician Certification Board examination. It covers everything candidates need to know in a concise outline format, providing a quick, yet thorough, refresher.

Covers the three functional areas tested on the exam: Assisting the Pharmacist in Serving Patients (66% of the test), Maintaining Medication and Inventory Control Systems (22% of the test), and Participating in the Administration and Management of Pharmacy Practice (12% of the test).

Includes three new chapters: Processing and Handling Commercially Available Chemotherapeutic Medications, Collecting and Communicating Data on Investigational Drugs, and Collecting and Communicating Data on Restricted Drugs.

Provides 470 sample questions with an answer key in the back of the book to help readers assess their understanding of the material.

Has 160 new sample questions inserted throughout the book.

Includes key terms and concepts, chapter summaries, questions for discussion, and sample questions in each chapter.

From reader reviews:

Michael Burnette:

A lot of people always spent all their free time to vacation or even go to the outside with them family members or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. If you would like try to find a new activity honestly, that is look different you can read any book. It is really fun for you personally. If you enjoy the book that you just read you can spent all day every day to reading a reserve. The book Pharmacy Technician Certification Quick-Study Guide (Apha Pharmacy Technician Train) it is extremely good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. Should you did not have enough space to create this book you can buy the e-book. You can m0ore quickly to read this book from the smart phone. The price is not too costly but this book features high quality.

Carol Jackson:

The reason? Because this Pharmacy Technician Certification Quick-Study Guide (Apha Pharmacy Technician Train) is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will zap you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking way. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.

Peggy Gillman:

Playing with family within a park, coming to see the marine world or hanging out with good friends is thing that usually you could have done when you have spare time, and then why you don't try thing that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Pharmacy Technician Certification Quick-Study Guide (Apha Pharmacy Technician Train), you are able to enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh come on its mind hangout folks. What? Still don't have it, oh come on its known as reading friends.

Anthony Balentine:

In this period of time globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher which print many kinds of book. Often the book that recommended for your requirements is Pharmacy Technician Certification Quick-Study Guide (Apha

Pharmacy Technician Train) this e-book consist a lot of the information on the condition of this world now. This particular book was represented so why is the world has grown up. The vocabulary styles that writer value to explain it is easy to understand. The writer made some study when he makes this book. Here is why this book suited all of you.
