2 Samuel (Brazos Theological Commentary on the Bible) Robert Barron

The Brazos Theological Commentary on the Bible encourages readers to explore how the vital roots of the ancient Christian tradition should inform and shape faithfulness today. In this addition to the series, highly acclaimed author, speaker, and theologian Robert Barron offers a theological exegesis of 2 Samuel. He highlights three major themes: God's non-competitive transcendence, the play between divine and non-divine causality, and the role of Old Testament kingship. As with other volumes in the series, this book is ideal for those called to ministry, serving as a rich resource for preachers, teachers, students, and study groups.
