With globalization, intercultural contact is now part of daily life for most of us. *Intercultural Communication in Contexts* examines communication in multicultural relationships and provides practitioners with the tools for effective communication amid cultural, ethnic, and religious differences. Students are introduced to the primary approaches for studying intercultural communication along with a theoretical and practical framework for applying these approaches themselves.

**Connect** is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient. For instance, **Connect** contains **SmartBook**, the first and only adaptive reading experience available for the higher education market. Powered by the intelligent and adaptive **LearnSmart** engine, **SmartBook** facilitates the reading process by identifying what content a student knows and doesn't know. As a student reads *Intercultural Communication in Contexts*, the material continuously adapts to ensure that he or she is focused on the content most crucial to closing specific knowledge gaps.
