**GAY ROMANCE**

I'm about to have quite the transformative sexual experience...

For years now, I've harbored a secret gay crush on my best friend Kyle. The two of us have been extremely close since high school, but all this time, I don't think he's had any inkling whatsoever as to my sexual orientation.

He's about to get married now, and I decide to act at last in fear that I might never again have the opportunity to do so. The two of us are on a camping trip together, drunk as skunks, when I seduce him in our tent, and the two of us make sticky, passionate love.

When I wake up, however, my long pined-for lover is gone, along with all his possessions, and I immediately scramble from the tent, knowing that I might have sabotaged our relationship forever.

But when I emerge from the tent, I'm stunned out of my wits to see a fully grown grizzly bear looming over me, snarling, and ready to rip me to pieces. My only salvation comes at the hand of an intervening werewolf, who drives away the bear, presumably killing him somewhere off in the woods.

Then, my savior returns, fully human again, and it turns out that I'm expected to offer my own version of bodily payment in return for his heroic efforts...
