Guerrilla Warfare

Ernesto Che Guevara

Guerrilla Warfare Ernesto Che Guevara

Guerrilla Warfare by the revolutionary Che Guevara has become the guidebook for thousands of guerrilla fighters in various countries around the world. Guevara intended it to be a manual on guerrilla warfare, as inspiration for revolutionary movements in Latin America, Africa and Asia, stressing the need for an underpinning political motivation to guerrilla methods, organisation and supply. Guevara emphasizes that guerrilla warfare is a favorable method against totalitarian regimes, where political opposition and legal civil struggle is impossible to conduct.
