Roberta L. Hines MD, Katherine Marschall MD

Handbook for Stoelting's Anesthesia and Co-Existing Disease, 3e Roberta L. Hines MD, Katherine Marschall MD

The peerless authority you trust...the portability you need! This practical handbook covers all of the most critical, clinically relevant topics from Stoelting's Anesthesia and Co-Existing Disease, 5th Edition in a format suitable for a quick-reference guide you can carry in your coat pocket. The new edition presents the results of the latest clinical trials to help you make the most effective clinical decisions, while new illustrations aid in clarifying complex concepts. You'll have convenient access to dependable guidance on a full range of pre-existing conditions that may impact the perioperative management of surgical patients.

- Presents complex cases representing the full spectrum of pre-existing conditions.
- Provides information on specialized patient populations-including pediatric and geriatric patients-that highlight important clinical considerations for these groups.
- Uses an outline format, making guidance easy.
- Follows the same chapter organization as Stoelting's Anesthesia and Co-Existing Disease, 5th Edition, enabling you to reference the parent text for more in-depth guidance.
- Features abundant tables that provide fast access to the most pertinent aspects of each condition.
- Incorporates the results of the latest clinical trials so you can be confident in making the most effective clinical decisions.
- Features additional illustrations that clarify complex concepts.
