Two novels by #1 *New York Times* bestselling author Iris Johansen

## ***Hunting Eve***

She's broken free. But danger is in hot pursuit. And rescue is nowhere in sight....

Eve Duncan is on the run. Kidnapped by Jim Doane, a mysterious man who wants her to complete a sinister forensic sculpture, she now has no time to savor the victory of escaping from him. He's back on her trail and closing in fast. At the mercy of the Colorado wilderness, she struggles to outwit and outrun him, but the odds are stacked high in his favor. Doane desperately needs Eve's skill to reconstruct the skull of his son—a sick and twisted killer who still holds Doane in thrall from beyond the grave—and like a man possessed, he refuses to let anything stand in his way.

The CIA has its own reasons for tracking Eve's nemesis. And those closest to Eve—Joe Quinn and Jane MacGuire—are doing everything in their power to rescue her, while a hired gun named Lee Zander is on a personal mission to eliminate Doane. But does that mean he can be trusted to save Eve? Zander's checkered history may be tied to Eve's own past in a shocking way—or he may be nothing more than another assassin with a long-standing grudge and an overactive trigger finger.

Using everything from cutting-edge technology to animal whisperers, the hunt for Eve is on. And the hourglass is almost empty.

## ***Silencing Eve***

When it comes to Eve Duncan, never say never....

Is she dead or alive? That is the question on everybody's lips. Eve appears to have been the victim of James Doane, the psychopath who kidnapped her and forced her to use her skills as a forensic sculptor to reconstruct the skull of his depraved son. That's what everyone attending her funeral thinks, at least. But not even some of her top-brass colleagues know for sure whether her death is a hoax—a way to ensnare her brutal captor once and for all.

But even if Eve really is still alive, how much longer can this charade continue before she falls into even greater danger? CIA agent Catherine Ling will waste no time trying to find out. Years ago, Eve risked everything to help Catherine find her missing son. Now Catherine, along with Eve's beloved Joe Quinn and Jane MacGuire, will go to the ends of the earth to save her.
