Principles of Conduct: Aspects of Biblical Ethics John Murray

This classic study by theologian John Murray clearly shows the organic unity and continuity of the biblical ethic. Murray addresses ethical questions relating to such topics as marriage, labor, capital punishment, truthfulness, Jesus' teaching in the Sermon on the Mount, law and grace, and the fear of God. Though the Ten Commandments furnish the core of the biblical ethic, Murray points the reader again and again to all of Scripture as the basic authority in matters of Christian conduct.
