This is not for the faint of heart

I have done this many times before, so this time shouldn't be any different.

'Scarlett', I tell myself, 'you know what you are doing; taking these Vikings' money will be easy'.

There are four of them, all large, too large, alpha males that look like they could break a tree-trunk with their bare hands.

They also look like they would completely destroy my tender and fertile holes, given half the chance.

When they discover my deception though, it is game over.

I have no choice but to offer the one thing that I have been using to distract them during this poker game, my body, and they look at each other, deliberate, and then agree.

They seem to have a plan though, not wanting to take a room at the inn where we have been playing.

Instead they take me to a secluded cabin in the woods, a place that I wouldn't have expected them to know about since they were just passing through.

They start to play with me, teasing me with in all of my holes.

*It becomes clear soon enough that they have **no intention of pleasing me** for my satisfaction, and they will enjoy **torturing me** much more.....*

*As the **torture progresses** I become more and more anxious, but the excitement gets the better of me, and **I let them do whatever they want to**, hoping that they will **stop before it gets too far**.....*
