## Marco Polo's Silk Road: The Art of the Journey - An Italian at the Court of Kublai Khan (The Art of Wisdom)

In the late 1290s, an imprisoned Venetian merchant dictated an account of his amazing adventures in China. That book, *The Travels of Marco Polo*, was an instant success. Though scholars once derided Polo's tale, today's historians accept it as accurate. The original manuscripts are long lost, but now, for the first time, a modernized hybrid edition has been compiled from translations by William Marsden and Henry Yule. Comprising nearly 150 chapters, this superbly illustrated, silk-bound abridgement of this seminal work is a treasure worthy of its subject.
