Betty J. Morris

Administering the School Library Media Center:5th Edition Betty J. Morris

This is the most comprehensive textbook on school library administration available, now updated to include the latest standards and address new technologies.

- Includes several exhibits originating from state department of education documents as well as ones designed by the author
- A chronology of the school library media movement throughout history is provided in the first chapter
- An extensive bibliography follows each chapter to suggest further readings
- Contains four appendices providing directories to state school library media center agencies, associations and agencies, and library furniture and supply sources, as well as websites that provide key document resources
