Any parent can identify with the feeling that girls growing up in America face a treacherous future; *Girls Uncovered* unveils the facts.

In a follow up to their eye-opening release *Hooked*, obstetricians Joe McIlhaney and Freda Bush present stunning scientific research on the development of young girls in America's increasingly reckless sexual culture. They survey the reality of prevalent sexual behaviors and attitudes as well as their psychological, social, physical, and spiritual effects.

Despite the harrowing facts revealed by their studies, McIlhaney and Bush give us hope through their expertise as physicians and parents of daughters. *Girls Uncovered* provides fundamental wisdom and practical advice to help parents, counselors, and church leaders guide young girls safely through the challenges they will face so they can achieve their potential and enjoy full health, hope, and happiness.
