Witches, pirates, romance, and treachery. What more could a reader want?

Long ago, Queen Lucia and her community of powerful witches settled on a small island off the coast of North Carolina. Their isolation has protected them from the witch hunts, but they soon will face a new enemy.

When history's most infamous pirate Blackbeard invades her peaceful island home, Lucia devises a plan to protect her people and keep their secret. But it comes at a high price.

She trades three young women—Catherine, Hannah, and her own daughter Charlotte—for the safety of her village.

But this is no ordinary village, and these are not ordinary women.

Blackbeard and his pirate crew get more than they bargained for when they bring the three witches aboard the Queen Anne's Revenge. Can the women summon their greatest magic and escape a horrible fate? Can they do it without betraying their secret?

Set in 1718, *The Secret Keepers* presents the story of the ancestors of the witches featured in the Amazon Best Seller, *The Coven*, Book 1 of the Crystal Coast Series and has three bonus chapters from *The Coven*. *The Coven* is available for purchase at <http://www.amazon.com/dp/B00JYPKE80>
