**The first major authorized biography of NASCAR founder, Bill France Sr.**

*Big Bill* is the consummate "insider" book on the life and legend of NASCAR founder Bill France and tells the tale of a classic American success story. France Sr. brought his family to Daytona Beach, Florida, in 1934, put down roots and immersed himself in the business of racing, both as a driver and an owner.

Nicknamed "Big Bill" because of his 6-foot-5 stature, he made significant contributions to the racing world - he founded NASCAR in December 1947, built Daytona International Speedway in 1959 and built Talladega Superspeedway in 1969, and landed the landmark R.J. Reynolds/Winston sponsorship deal in 1971 that not only transformed NASCAR but also transformed corporate sponsorship of sports in America.

The France family has spent the last 30 years gathering a vast collection of files and material about their family patriarch and has turned over countless interviews -- both written and taped -- as well as NASCAR documents, memorabilia, memos, letters and various other materials to the author for this definitive biography.

*Big Bill* offers NASCAR fans a rich, entertaining, emotional, and detailed story about America's most recognized and admired racing family.
