Resumes For Dummies, 6th Edition

Write a winning resume and land that job interview! Is your job search stalling out after you submit a resume but before you're offered an interview? With a recession that has caused widespread unemployment, having a winning resume is vital to securing an interview-and it demands a fresh look at how you write your resumes and market yourself. Whether you're entering the job market for the first time, looking for a new job after a lay off, or changing careers, *Resumes For Dummies* shows you the ropes and rules for a new era in recruiting and job searching

Job Interviews For Dummies, 4th Edition

Does the thought of interviewing for a new job send shivers down your spine? It doesn't have to! Whether you're searching for your first job, changing careers, or looking for advancement in your current line of work, *Job Interviews For Dummies* shows you how to use your skills and experiences to your advantage and land that job. Following a half-decade characterized by an explosion of economic crises, global expansion, and technological innovation in the job market, today's job seekers vie for employment in a tough era of new realities where few have gone before. In addition to covering how to prepare for an interview, this updated edition explores the new realities of the job market with scenarios that you can expect to encounter, an updated sample question and answer section, coverage of how you can harness social media in your job search, information on preparing for a Web-based interview, and the best ways to keep your credibility when applying for several jobs at once

Cover Letters For Dummies, 3rd Edition

Cover letters are alive and sell! When they're written right, that is. To stand out in today's sea of qualified job seekers, learn to craft riveting new breeds of cover letters, create vibrant images online, and discover sensational self-marketing documents you never imagined. This completely revised and updated 3rd Edition of *Cover Letters For Dummies* brings you all this plus over 200 great new samples by 62 successful professional cover letter/resume writers. You've probably suspected that passive and sleepy cover letters merely hugging resumes won't get you where you want to go. Especially in a shaky job market.
