Gothic Fantasy: The Films of Tim Burton Edwin Page

“I’ve always been misrepresented. You know, I could dress in a clown costume and laugh with the happy people but they’d still say I’m a dark personality.”—Tim Burton

Tim Burton’s career began at Disney, but he soon found his own style. He is best known for his dark, fantastical creations such as *Beetlejuice* (1988) and now for *Charlie and the Chocolate Factory* (2005).

Burton’s output ranges from Hollywood blockbusters to art-house film—covering genres from sci-fi spoof to animation and horror. Edwin Page’s new book will appeal to both the general fan and film studies reader.
