You can kiss that calf goodbye!"" Here is a heartwarming collection of a country boy's stories of life lived way back before technology so dramatically changed our world. You will be taken back to a time when you had to work really hard just to live, especially when you were living on a farm. Without high tech tools or gadgets, and without today's modern conveniences, life was more free and loving. In those days, hard work meant something that people today will never understand. The Way It Was Back Then showcases that beautiful past and the real value of hard work that the modern world has long forgotten.
