A Humble Mask on a Prideful Face Daniel J Fisher

A Humble Mask on a Prideful Face is an autobiographical study that explores pride and how it affects all aspects of our lives: prayer; family; friends; church; home; and your relationship with God. Author Daniel J. Fisher refers to it as a journal cleverly disguised as a book. He uses his journey to help readers gain a greater understanding of how pride impacted his spiritual life, forced him to evaluate his relationship with God and others, and created a passion to help others understand and overcome pride issues on their way to spiritual wholeness. The book dispels a primary myth about pride: how pride can be present in a broken place as much as in an arrogant place.
