"Not since *The F.B.I. Story*, a book authored by Don Whitehead in the 1950s which spawned a successful motion picture starring Jimmy Stewart, has an updated version of the career of an F.B.I. agent been written. The work has changed considerably since the publication of that book. Although Mr. Whitehead's version was somewhat void of humor, probably because J. Edgar Hoover was looking over his shoulder when he wrote it, the authors of *Honk If You Love J. Edgar Hoover* have taken the liberty to include some of those humorous occurrences which surfaced throughout their careers. This updated version highlights a career in one of the more interesting professions of the world."
