**A map, written in code and hidden in the gospel of Matthew, reveals a truth so explosive it could rock the foundations of Christianity?or lead to its rebirth.**

A cleric appears out of the rain-spattered darkness, bearing a mysterious message: A long-lost map with the power to transform men is on the verge of being discovered. Thrown headlong into a global chase, author David Murrow must race to find the map before it falls into the wrong hands and disappears forever.

*The Map, which* begins as an action thriller and then transitions into a modern-day parable, reveals the path every great man – including Christ himself – has walked.

In this dynamic follow-up to the best-selling *Why Men Hate Going to Church*, Murrow cleverly translates the masculine spiritual life into an actual, ink-on-paper map. Then he shows men where to find the map in the New Testament and how to walk its ancient paths today.
