The Multilingual Turn in Languages Education: Opportunities and Challenges (New Perspectives on Language and Education)

Starting from the key idea that learners and teachers bring diverse linguistic knowledge and resources to education, this book establishes and explores the concept of the 'multilingual turn' in languages education and the potential benefits for individuals and societies. It takes account of recent research, policy and practice in the fields of bilingual and multilingual education as well as foreign and second language education. The chapters integrate theory and practice, bringing together researchers and practitioners from five continents to illustrate the effects of the multilingual turn in society and evaluate the opportunities and challenges of implementing multilingual curricula and activities in a variety of classrooms. Based on the examples featured, the editors invite students, teachers, teacher educators and researchers to reflect on their own work and to evaluate the relevance and applicability of the multilingual turn in their own contexts.

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Multilingual Turn in Languages Education: Opportunities and Challenges (New Perspectives on Language and Education) can make you experience more interested to read.
