Don Troiani's Civil War Zouaves, Chasseurs, Special Branches, & Officers (Don Troiani's Civil War Series) Earl J. Coates, Michael J. McAfee, Don Troiani

In the world of historical painting, Don Troiani stands alone, universally acclaimed for the accuracy, drama, and detail of his depictions of America's past. In *Don Troiani's Regiments and Uniforms of the Civil War*, first released in 2002, the artist turned his brush to the units and uniforms of the War between the States. Through Troiani's careful reconstructions and the accompanying text, the book offers one of the most comprehensive looks at Civil War uniforms ever undertaken. In addition to the full volume in hard cover, Stackpole Books now presents four handsome, individually bound paperbacks, each covering different branches of service and types of soldier.

Perhaps the most famous--and certainly the most exotic--uniforms of the Civil War belonged to the Zouaves, troops of French derivation whose vibrant attire was accented by fezzes and baggy trousers. These soldiers cut a flashy figure, and Troiani depicts them in all their colorful glory. This volume also covers the uniforms of engineers, surgeons, marines, and generals.
