## **Led Zeppelin on Led Zeppelin: Interviews and Encounters (Musicians in Their Own Words)**

There are lots of wild stories about Led Zeppelin—some true, some false. *Led Zeppelin on Led Zeppelin* dishes up the facts, in the band's own words, as they saw them. It shoots down the folklore and assumptions about Jimmy Page, Robert Plant, John Paul Jones, and John Bonham and presents the band's full history, from when Jimmy Page was playing skiffle to the day the band was honored by the Kennedy Center for their contribution to American and global culture.

Any band is an amalgam of the players, but in very special cases, those players form an entity unto itself. *Led Zeppelin on Led Zeppelin* captures the ideas of all of the band's members at the time they created classics like "Whole Lotta Love," "Stairway to Heaven," and "Kashmir" but also encapsulates the idea of the band itself as it crafted the music that changed pop culture. In the process, the book offers insight into what made Led Zeppelin tick—and what made it the most popular band in the world.

In a series of over fifty interviews from 1957 to 2012, many never before seen in print, this is the story of Led Zeppelin, as it happened, told by the people who knew it best—the members of the band.
