Taken from Publisher's Notice: No apology is necessary for adding one more to the numerous "War Books" which already fill a large space in American Literature; for, to the general reader, nothing connected with the Rebellion can be more interesting than the personal experiences of those who have been intimately associated with the different phases of military life, in Camp, Field, and Hospital. The "Nurse and Spy" is simply a record of events which have transpired in the experience and under the observation of one who has been on the field and participated in numerous battle-among which are the first and second Bull Run, Williamsburg, Fair Oaks, the Seven days in front of Richmond, Antietam, and Fredericksburg-serving in the capacity of "Spy" and as "Field Nurse" for over two years. While in the "Secret Service" as a "Spy," which is one of the most hazardous positions in the army-she penetrated the enemy's lines, in various disguises, no less than eleven times; always with complete success and without detection.
