**“My husband’s been cheating. I just know it!”**

**...Or so she thought.** It was an errant whisper in her head that drove Tilly to break into her husband’s barely-twenty secretary’s home. The gorgeous woman had maneuvered to disrupt and interfere Tilly’s marital relationship from the beginning. Now it was time for Tilly to take action. She was going to find the evidence she needed to move forward with her life once and for all.

While it’s true that Geoff had been busy and distractedly neglectful, he couldn’t let his wife’s behavior go unaddressed. He completes her humiliation by forcing Tilly to don a bulky diaper, his intent to ensure that she never forget her much needed lesson.

But Pamela, the wanton secretary, isn’t satisfied. She demands to leave her own impression on the misbehaving Tilly. She demands to take Tilly spread open on the dining room table with a strap-on dildo big enough to make an elephant blush. There, as she forces the thick length inside of Tilly, Pamela confesses to a secret that will make everything clear. There is no way Tilly’s husband would have been having an affair with her. Pamela is in love with Tilly....
