**Bookends** Liz Curtis Higgs

**Opposites attract? Maybe not.**

Emilie Getz and Jonas Fielding are as different as two people—of the same age, with the same faith, living in the same charming Pennsylvania town—could be.

She loves history; he loves new ideas. She sticks to the rules; he likes to break them. She's into saving relics; he's into saving souls. The one trait they share is a penchant for controlling every aspect of their lives, including their stubborn hearts.

When Emilie's search for an archaeological treasure leads her to the one piece of land she can't have (thanks to Jonas), they choose opposing sides in an engaging battle of wits. Emilie, a no-nonsense sort of woman, is determined to have her way. But Jonas is on a mission as well: He wants to hear Emilie laugh. Often.

## Story Behind the Book

Though she has traveled the world, Liz Curtis Higgs is a small-town girl at heart. In *Bookends*, Liz invites readers to visit a place she knows well: her hometown of Lititz, nestled in the rolling hills of historic Lancaster County, Pennsylvania. Fond memories of her childhood years in the Moravian church—one of the oldest of the Protestant denominations—and her love for Lititz history and traditions serve as a solid underpinning for this lively contemporary tale. Like many couples, Emilie and Jonas resemble human bookends—opposites in every way—until Emilie's joy-filled spiritual awakening turns their stubborn hearts in the same happy direction.

#### **Jennie Groth:**

People live in this new morning of lifestyle always make an effort to and must have the time or they will get large amount of stress from both way of life and work. So , when we ask do people have time, we will say absolutely sure. People is human not really a huge robot. Then we request again, what kind of activity do you have when the spare time coming to you of course your answer can unlimited right. Then ever try this one, reading books. It can be your alternative throughout spending your spare time, typically the book you have read is actually Bookends.

#### **Sheila Davis:**

This Bookends is great publication for you because the content that is certainly full of information for you who also always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having Bookends in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen minute right but this e-book already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt which?

#### **Ophelia Ellis:**
