Film Art: an Introduction David Bordwell

This fourth edition is a revision of the successful introduction to film appreciation and aesthetics. It begins with an overview of film production, moves on to a consideration of the formal elements and techniques, covers film criticism and concludes with a brief section highlighting the key moments in film history. Illustrated with over 500 frame enlargements, many in colour, "Film Art" has been updated to include analysis of some of the most interesting films of recent years including "Raging Bull" and "Desperately Seeking Susan".
