International Handbook of the Religious, Moral and Spiritual Dimensions in Education (International Handbooks of Religion and Education)

In today's pluralistic world, many cultures feel a shift in the relationship of people with religious traditions. A corresponding movement is a resurgence of interest in human spirituality. This Handbook presents the views of education scholars who engage these concepts every day, in a collection of essays reflecting the international state of the discipline. Out of these rises a vision for the emergence of a just and peaceful world.
