#### **Margaret Pinson:**

Reading a book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that may give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only the story that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write to their book. One of them is this Language Diversity: Problem or Resource?.

#### **Theodore Huff:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Language Diversity: Problem or Resource? can make you feel more

interested to read.
