Serial Killers: The Insatiable Passion David Lester

This bestselling book has become a staple of every serious true crime book collector's library. One of the most reliable concise sources of information available about serial killers and their crimes, this book offers a psychological and sociological analysis of this most frightening yet fascinating criminal. Psychologist David Lester, recognized worldwide as a leading authority on death both in the fields of suicide and homicide offers a much-needed assessment of whether or not there is a dependable and useable psychological profile of the serial killer. Separating the facts from the myths by combining documented case histories of notable serial killers with behavioral research, *Serial Killers: The Insatiable Passion* has been welcomed and applauded as an important addition to the literature on serial killers by criminologists, psychologists, sociologists, law enforcement and true crime buffs alike.
