Speaking of Love

Angela Young

Speaking of Love Angela Young

If a mother had told her daughter that she loved her, they might not have spent years apart. If a man had found the courage to tell a woman that he loved her she might never have married another man. And if a father had told his daughter that he loved her when her mother died, she might not have suffered the breakdown that caused the rift with her own daughter.

If you are born into a family that never talks about love, how do you learn to say the words?

Speaking of Love is a novel about what happens when people who love each other don't say so. It deals passionately and honestly with human breakdown. And it tells of our need for stories and how stories can help make sense of the random nature of life.

From reader reviews:

Peggy Hardman:

Spent a free time for you to be fun activity to perform! A lot of people spent their leisure time with their family, or all their friends. Usually they performing activity like watching television, gonna beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Might be reading a book could be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to attempt look for book, may be the book untitled Speaking of Love can be excellent book to read. May be it might be best activity to you.

Donna Kerns:

Your reading 6th sense will not betray an individual, why because this Speaking of Love reserve written by well-known writer who really knows well how to make book which can be understand by anyone who also read the book. Written throughout good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still skepticism Speaking of Love as good book not just by the cover but also through the content. This is one reserve that can break don't ascertain book by its deal with, so do you still needing yet another sixth sense to pick this specific!? Oh come on your reading through sixth sense already alerted you so why you have to listening to yet another sixth sense.

Floyd Alling:

Is it a person who having spare time subsequently spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This Speaking of Love can be the respond to, oh how comes? A book you know. You are and so out of date, spending your free time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

Juli Gadberry:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Speaking of Love can make you truly feel more interested to read.
