INTERCESSION for CITIES Mae Hennesay, May Beswick RN

When my sister, Carla Eggman-Garrett, had told me about an Amazing woman named Mae who blows her Shofar and prays to the land, somehow, I knew I had to meet her. I live in Seattle and she, in Porterville, California. I quickly booked a flight for the first available opening in my schedule which was 2 months away. I would be there for just 4 days, but what a Glorious 4 days it was. Mae Hennesay changed my life forever and I have been Praising The Lord ever since. I had not been doing this before meeting her and I had never offered to write a book for another person before either, but here I am writing one for her. Praise The Lord! My hands are writing sacred Words of God! Mae has bravely dedicated herself as a vessel for The Lord's work. Sometimes that may not be easy, nor popular, but she does it and gives of herself freely, inspirationally guided by the Holy Spirit. I am healing as I write this book, body, mind, soul. Now, you too, can receive the Healing Power through her words as transcribed by the Holy Spirit.
