Life, Love and Lies: A Billie Starnes Series Codie Surratt

Billie Starnes has created a successful PR empire. She lives in L.A. in a gorgeous mansion, surrounded by a staff that is more like family than employees. She and her best friends Del and T are well on their way to living the life they all have dreamt of, until things quickly begin to unravel. Can she escape the turmoil that could easily be the end to her empire (at least in her mind it could) and can she forgive those from her past and present that have tread heavily on her trust? If you love a good soap opera, some witty banter and a cast of characters that say what we all may be thinking, then I think you'll love this first book in the series. Life, Love and Lies: A Billie Starnes Series.
