MR DARCY'S MASQUERADE (Darcy series) Elizabeth Aston

Another light-hearted romantic comedy of manners set in the world of Jane Austen's Pride & Prejudice.

Miss Serafina Darcy is that saddest of creatures, a jilted young lady, the object of universal pity, scorn and gossip. Yet she must return to London for the season, hold her head high and dance her way through the maze of misunderstanding and mischief that lies in wait for her.

How can she be revenged on Marcus Talbot, who encouraged her betrothed to abandon her for another woman? How can she cope with the careless malice of Miss Caroline Bingley? How can she even think of marrying the suitable Lord Gilbride?

And how can she possibly attend the masked ball where she will meet her lost love, his new bride—and her own destiny?
