## **Praying the Psalms, Second Edition: Engaging Scripture and the Life of the Spirit**

A readable and powerful call, by a leading Old Testament scholar, to pray with and through the Psalms. Walter Brueggemann pushes his readers to recognize the full gamut of passions reflected in the Psalms: joy and exultation but also disappointment, sorrow, anger, resentment, even the desire for vengeance. We are invited into a daring relationship with the God who calls us to pray with honesty. In the spiritual classic readers are guided into a thoughtful and prayerful encounter with God through the Psalms. This new edition includes a thoroughly revised text, new notes and new bibliography. In *Praying the Psalms*, Brueggemann carefully guides us away from the bland colours of contemporary culture and into the ancient and extreme world of praise and lament. This is essential reading. Ian Stackhouse Senior Pastor, Guildford Baptist Church
